On the Cover: SJC President Ernest Mills III, Assistant Professor of Accounting and Alumni Association Board of Directors member **Terra Schafer '97**, and **Rev. Leonard Kostka, C.P.P.S. '35** gear up for SJC's latest challenge from Lilly Endowment Inc. See story on pages 14 and 15.

In the last issue, the Alumni and Parent Relations Director alluded to our diverse pool of alumni and their various accomplishments. I hope to expand on that theme, focusing on alumni who have established themselves in the ministry and health services.

There are approximately 250 alumni members engaged in ministry, the majority of them serving as C.P.P.S. priests and brothers. C.P.P.S. missionaries represent SJC in Chile, Peru, and Guatemala. Alumni ministers are involved in parishes as pastors, musical directors, high school and college administrators and teachers, campus ministers, and chaplains for military bases, hospitals, and prisons.

**FROM THE ALUMNI
ASSOCIATION
BOARD
PRESIDENT,
BERNARD A. BALAS '57**

Almost 400 Pumas are involved in medicine and health services. Some teach at major medical schools, such as Indiana University and Louisiana State University. Alumni professionals include the Chief Anesthesiologist at St. Vincent's Hospital in Indianapolis, the Cook County, Illinois, Medical Examiner, the Dental Director for Blue Cross-Blue Shield in Illinois, and the Dean of Medical Students at Loyola University in Chicago. About two dozen are involved in hospital administration throughout the country.

And these alumni are only 7% of the Puma population!

The tradition continues...

New Faces

**Michele
Gunkelman**

*Director of Housing and
Residence Life*

Michele comes to Saint Joseph's College with a wide range of experience in residence life and student programming. She was a Residence Life Director at Ithaca College in New York for three years, and went on to serve as the Area Coordinator for the University of Dayton, where she was responsible for building a community atmosphere among approximately 750 residents peppered throughout five residence halls. She also holds a Bachelor's degree in Spanish and a Master's degree in Counseling and Student Personnel.

Michele's excited to meet students and hear their thoughts on improving residence life programming. "I'm also glad to have the opportunity to lay some groundwork with programming for students in the residence halls," she added. If you have any questions regarding housing and residence life issues, Michele can be reached by telephone at 219-866-6125 or by e-mail at mgunk@saintjoe.edu.

Stacey Russo

*Director of
Academic Services*

Stacey may be a new employee at SJC, but she was familiar with the College and Rensselaer months before she started. In August 2001, her husband, John, was hired as assistant baseball coach for the Athletic Department, but because she had to sell their Wisconsin home and prepare to leave her job as a fifth grade teacher in Lake Villa, Illinois, she wasn't able to join him until after the new year. The two spent weekends together, missing only two between August and February. "We put a lot of miles on our cars," she laughed.

As Director of Academic Services, Stacey's responsibilities include overseeing the Freshman Academic Support Program (FASP), created for first-year students needing academic guidance, and building the College's student tutoring program. With a Bachelor's degree in Elementary Education and four years of teaching under her belt, Stacey is eager to work with the students at SJC. "I can use my background as a teacher to help provide students with the tools to have a successful education," she explained. If you have a question for Stacey regarding academic services, she can be reached at 219-866-6116. You can also e-mail her at srusso@saintjoe.edu.

**NORBERT KRAPF '65
 PUBLISHES
 NEW POETRY COLLECTION**

The Country I Come From, the latest poetry collection from **Norbert Krapf '65**, is slated to hit select bookstores at the end of the summer.

To promote his book, Krapf has scheduled a number of poetry readings throughout Indiana, and is holding a reading in Rensselaer in August.

A native of Jasper, Indiana, Krapf has written a number of such collections throughout his writing career, including the trilogy *Somewhere in Southern Indiana*, *Blue-Eyed Grass: Poems of Germany*, and *Bittersweet Along the Expressway: Poems of Long Island*. He earned both his Master's and Doctorate degrees in English and American Literature from the University of Notre Dame in South Bend, and was awarded with an honorary doctorate from SJC in 1995. Krapf moved to Long Island in 1970, and is the Poetry Director at the C.W. Post Campus of Long Island University in Brookville, New York, where he has been teaching literature and creative writing courses for the last 30 years.

A FAMILY AFFAIR

On June 22nd, nearly 50 alumni, parents, and friends attended "Family Day" at the Indianapolis Children's Museum. Rock climbing, boat building, and high wire walking were a few of the many attractions enjoyed by the children.

CONGRATULATIONS!

SJC is brimming with excitement to have an entering freshman class nearly 10% larger than last year's class (at the time of this printing)! The College extends a special thanks to alumni who came out in full force to help raise those numbers. Not only have they aided in recruitment, but have had a tremendous impact in balancing the College's budget. For the second consecutive fiscal year, the alumni donor participation rate has increased, rising from 18% to 22%. When one realizes that it takes a minimum of 100 donors to increase a participation rate by only 1%, it becomes obvious that our alumni, parents, and friends are displaying their pride in this institution through their giving to Saint Joseph's College.

Our challenge for the 2002-03 academic year is to maintain a balanced budget, continue to increase enrollment, and raise awareness about Saint Joseph's College. The College has scheduled a number of alumni/admissions receptions in several convenient locations, and we invite you and your families to join us in our recruitment efforts. Make plans to join President Mills over Labor Day weekend for SJC's first **white water rafting trip**, and get your foursome together for the **Golf Outing and Cookout** in Indianapolis on **September 7th**, sponsored by the Alumni Association. **Homecoming 2002** will kick off with a **Friday Night Jazz Fest** and street party. On Saturday, involve your children in the **Puma Kid Camp** and **Children's Art Tent**, two great ways to include young Pumas in the celebration weekend.

This year holds the promise of great things to come for the Saint Joseph's College community. We look forward to hearing from you, working with you, and working for you.

Giles calls the shots at a "State Fair" rehearsal

Move over, Dorothy Gayle. On August 21st, **Maura Giles '02** will meet a wizard of her own.

Her story begins at the 53rd Annual Indiana Broadcasters Association's Convention in Indianapolis on June 10th; Giles, a Marketing Consultant for WIBN Radio in West Lafayette, Indiana, attended a presentation given by Roy H. Williams. Recognized for his *New York Times* bestselling *Wizard of Ads* series and controversial approach to marketing, Williams told audience members to jot down questions during his session. For the question he found most insightful, he would present that person with a \$3,500 scholarship to one of his three-day seminars (which Williams himself will oversee), focusing on ideas from the *Wizard* series' third installment, *Magical Worlds of the Wizard of Ads*.

A double major in English/Creative Writing and Communication and Theatre Arts while at SJC, Giles' scholarship-winning question filled a half-sheet of paper and drew upon philosopher Jacques Derrida and the theory of word free play, a concept she learned in her Literary Criticism class.

PUMA SPOTLIGHT: MAURA GILES '02

"[Williams] said my question was very insightful, and I had a good understanding of the English language," she said.

Advertising seminars aren't the only things keeping Giles busy. This summer, she also directed "State Fair"

for the Carnegie Players, Rensselaer's theatre organization. It was her second time working with the group, as she also directed "The Pajama Game" last year.

With all the hats she wears, Giles is grateful for her experiences at SJC and the preparation she received before heading out into "the real world."

"During my freshmen year, I was a news anchor and DJ fill-in for the radio station, news editor for *The Observer* [student newspaper], and I had a supporting role in the fall play Some of my most amazing experiences and proudest moments happened because of Saint Joseph's College," she said. "I can't believe I was able to accomplish so much in four years."

GREGORIAN CHANT INSTITUTE 2002 A SUCCESS

Father Lawrence Heiman, C.P.P.S. '40 called this year's Gregorian Chant Institute "a terrific success."

"Out of the five years, this one was the best," he said. "The participants came with the best preparation and talent I've ever seen."

Celebrating its five-year anniversary this summer, this year's Institute placed its usual emphasis on authentic interpretation in the light of 10th century manuscripts of the Chant. "[The participants studied] the traditional square notes ... [and] a multitude of rhythmic values, which can only be realized by referencing the best Chant manuscripts," he explained, adding that the earliest and best manuscripts date back to the 10th century.

Fr. Heiman is always accepting applications from individuals wishing to become involved in the program. "If the Lord continues to give me good health, there will be a Gregorian Chant Institute 2003, for which 15 would-be participants have already indicated plans to [enroll]."

To learn more about the Gregorian Chant Institute, you can contact Fr. Heiman at 219-866-6272 or send him an e-mail at lheiman@saintjoe.edu.

SJC RAISES OVER \$1,000 DOLLARS FOR CANCER RESEARCH

SJC's "Puma Troopers" team raised \$1,041 dollars for the Jasper/Newton counties' annual Relay for Life.

Known as the American Cancer Society's signature event, Relay for Life is an overnight program which aims to raise both awareness about cancer and funds for cancer research. Team representatives walk, jog, or run laps on a designated route to show support for people who have been affected by the disease.

"Puma Troopers" members included Vice President of Institutional Advancement and Marketing **Maureen Egan '90**, Computer Systems Analyst **David DeLauro '00**, Publications and Media Relations Director **Breain Ma'Ayteh '02**, Dean of Freshmen/Assistant Vice President for Academic Affairs Marge McIlwain, senior Dannielle Pruett, junior Roman Rodriguez, and sophomores Gretchen Govert, Bridget Newman, and Casey Wagner.

Newman, a Co-Captain for next year's team, has participated in Relays held in her hometown of Bridgeview, Illinois. "Cancer is something that affects us all," she said. "I like to think of attending the Relays as just doing my part."

By July 1st, Jasper and Newton counties had raised over \$190,000 for the 2002 ACS Relay for Life.

ARTCAMP Participants show off their works-in-progress

SJC ART PROFESSOR PRESENTS NINTH ANNUAL ARTCAMP

Preschoolers experimented with ceramic clay, teenagers dabbled in photography, and adults drew from past experiences to craft personal essays. To say the least, the 80 workshops offered in Associate Professor of Art and Education Bonnie Zimmer's ARTCAMP appealed to a variety of age groups and interests.

"This year's participation was at an all-time high," noted Zimmer, who spearheaded the week-long summer camp. "I know grandparents who plan their grandchildren's summer visits around ARTCAMP."

In its ninth year, ARTCAMP aims to offer local residents an opportunity to experience art in its various forms. From June 24-June 28th, Zimmer and a handful of instructors oversaw workshops dealing with numerous art mediums, including tapestry, painting, cartooning, and fashion and design. Classes ranged in both age groups and time span; kindergartners learned how to make pipe-cleaners in a 30-minute session, while adults spent four and a half hours creating watercolor-based paintings. At the end of the week, campers were encouraged to display their work in Rensselaer's Carnegie Center.

Zimmer is proud of the way ARTCAMP has progressed since it was introduced to the community in 1993. "We started out offering six classes, and this year there were over 80," she said. "I'm very pleased."

Crew members putting the finishing touches on the College's new water tower

OFF WITH THE OLD, ON WITH THE NEW

On June 27th, SJC's water tower was replaced for the first time since its installation in 1911. According to Facilities and Service Manager Tony Baltes, years of increasing wear and tear rendered the tower damaged beyond repair. "[The tower] had seen better days. It was time to replace it," he said.

2000 and 2001 Yearbooks

Several 2000 and 2001 yearbooks are available for only \$3 per book (price covers shipping and handling costs). If interested, contact Student Activities Director Dottie Collura at 219-866-6142 or via e-mail at dottiec@saintjoe.edu.

UNDER CONSTRUCTION:

SJC MOVES FORWARD WITH PLANS FOR WEB SITE

When members of the SJC community logged onto the College's Web site on July 1st, they weren't greeted with falling leaves and a picture of the Rev. Charles Banet, C.P.P.S. Core Education Center. Instead, they saw pictures of Pumas—Pumas acting on stage, playing the guitar, studying a piece of art, driving go-karts, and filming a news segment, with creative tag lines to match. The home page's new design is just a promise of things to come for SJC's Web site.

"As the College changes, so should the Web site," explained Computer Systems Analyst **Phil Schroeder '01**. "It's key to have a site that not only provides up-to-date information, but that looks up-to-date and is easy to navigate."

"SJC is an active place where exciting things happen," added Publications and Media Relations Director **Breain Ma'Ayteh '02**. "From the moment somebody logs on to our site, that's the message we want to communicate."

C.P.P.S. Anniversaries

The Missionaries of the Precious Blood are pleased to announce the ordination anniversaries of **Rev. Joseph Rodak, C.P.P.S. '53** and **Rev. William Stang, C.P.P.S. '72**.

Rodak, who celebrates 40 years with the C.P.P.S., entered the Society in 1949 and was ordained on June 9, 1962. He has been involved in a variety of ministries, including teaching, retreat work, and hospital chaplain work. From 1990-1998, he taught a number of television classes at SJC and in 2000, he was named to the spiritual care team at St. Margaret Mercy Hospital and Healthcare Center in Hammond, Indiana, where he continues to serve.

March 26, 2002, marked 25 years of service to the C.P.P.S. community for Stang, Professor of Biology at SJC. A Rensselaer native, he earned a Master of Divinity with a concentration in Pastoral Counseling from Catholic Theological Union, and a doctorate from Indiana University Medical School. He has also served as a Chaplain with the Indiana National Guard for the past 15 years.

"The service and sacrifice made by these priests ... is a lesson to all of us," said the **Very Rev. Angelo Anthony, C.P.P.S. '84**, Provincial, Cincinnati Province of the Missionaries of the Precious Blood. "They have quietly, yet courageously, lived their commitment to Jesus Christ and it is a great joy for us to honor them."

SJC REMEMBERS

REV. JOHN LEFKO, C.P.P.S. '32

Rev. John Lefko, C.P.P.S. '32, a member of the Missionaries of the Precious Blood community for 64 years, passed away on July 1, 2002.

Rev. Lefko was born in New York City in 1912 and was ordained into the priesthood in 1938. During his years at SJC (1953-1967), he initiated a number of projects; he was the chief supervisor for the construction of six major College buildings: residence halls Bennett, Gallagher, Halas, Noll, and Schwietermann, and the Halleck Student Center. He held a variety of positions—Director of Alumni, Director of Development, Director of Foundations, and Treasurer—and was key to the formation of the College's Development and Alumni Affairs Department.

Rev. Lefko was noted for his cheerful, dynamic, and optimistic disposition and his promotion of people and ideas, his slogan being simply, "God is good."

STEP UP TO AND ACCEPT THE

 LILLY ENDOWMENT INC.

KNOWING THE GAME

Lilly Endowment's latest initiative, the *Special Initiative to Strengthen Philanthropy for Indiana Higher Education Institutions*, proposes a "challenge" for donors, particularly alumni, to play a much larger role in the future of their institutions. It was designed to encourage contributions from alumni, faculty, staff,

students, parents, and other parties with a special interest in colleges and universities.

Lilly Endowment believes there is a con-

nection between giving and engagement—it seems that a person who makes a financial contribution to a college or university is more likely to be interested in the institution's vitality and effectiveness.

- Excerpt from the Lilly Endowment's initial announcement of the Initiative

VISUALIZING THE IMPACT

What does this mean for Saint Joseph's College? "This is a once in a lifetime opportunity to have your gift matched, dollar for dollar, doubling the impact of your gift to benefit the future of SJC," said **Maureen Egan '90**, Vice President of Institutional Advancement and

Marketing. Imagine the avenues the College could pursue with such funding. The sky's the limit!

If you have ever considered a special gift to the College, far beyond your annual giving level—this is the perfect time to do so. If you have never made a gift to the College—this is a perfect time to start.

LEARNING THE RULES

SJC's participation in this initiative allows the College to receive an amount up to but not exceeding \$3,500,000 according to three matching grant categories:

- Up to **\$3,000,000** from alumni

SPECIAL Events

WELCOME, FELLOWS!

June 1st marked the 40th annual Fellows Dinner and Induction Ceremony. Forty-eight new Fellows were inducted, bringing the total program membership to 3,731 (living and deceased). One of the day's highlights was the induction of President and Elizabeth Mills at the start of the ceremony, allowing the First Couple to induct and welcome the 2002 Fellows. Several current Fellows were also recognized for attaining milestones in their cumulative giving to SJC, becoming Father Gross and President's Fellows. During the Dinner, the 2002 Distinguished Fellows Awards were presented to **Thomas '65** and Carolanne **Effinger**, recognizing their commitment, and that of the Shuster Family, to SJC; **Richard F. '38** and Kathryn J. **Scharf** (posthumously), and Helen Kraud were recognized for many years of loyal support, service, leadership, and friendship to the SJC community.

FELLOWS REACH GOAL-AGAIN!

Friend and loyal Puma Booster Ruth Warren receives a warm welcome into the Fellows Program from President Mills

The challenge to raise the necessary funds to restore the windows of the Saint Joseph's Chapel was accepted by the Council of Fellows on behalf of the Fellows Program in 1999. A **\$200,000** goal was easily surpassed, with the Fellows bringing in approximately **\$400,000** for this project.

Such a taste of success was motivation enough to propose yet another fundraising project that would be of benefit to the educational mission of SJC.

In September 2002, the Fellows accepted the challenge of raising **\$200,000** for the renovation of classrooms and laboratories in the Arts & Science Building. These gifts would be matched up to **\$200,000** by "The Boler Challenge for Academic Excellence."

After months of rallying support for this endeavor, "April showers brought May flowers." Those May flowers brought a blooming **\$204,761.35** in cash and pledges, coming from **122** donors who made a total of **254** gifts. Congratulations!

The faculty, staff, and students of Saint Joseph's College would like to thank the Fellows for their continued generosity and commitment to the campus community.

THE FIRST ANNUAL FOUNDER'S FUND BANQUET

The Inaugural Founder's Fund Banquet was held on the campus of Saint Joseph's College on Saturday, June 29th. During the event, The Founder's Fund endowed scholarship fund was "unveiled" with charter contributors donating **\$65,000** to establish it. Among the evening's highlights were the delightful big band sounds of the "Melody Aces," followed by presentations made by President Mills, **Bernard Balas '57** offering a \$1,000 contribution to The Founder's Fund on behalf of the SJC Alumni Association, and historic glimpses of C.P.P.S. involvement at SJC from the **Very Rev. Angelo Anthony, C.P.P.S. '84**, Provincial, Cincinnati Province.

Since 1891, the priests, brothers, and sisters of the Missionaries of the Precious Blood have influenced the lives of thousands of men and women by faithfully serving Saint Joseph's College. It is their dedication, toil, and motivation for 111 years that has been the inspirational force preparing students from all religious denominations for a lifetime of service and success.

This endowed scholarship fund will assist SJC in being competitive, attracting well-qualified students to SJC. Scholarships awarded to SJC students will be made in honor of the College's founders. At the same time, it will allow the Missionaries of the Precious Blood to continue their work of providing Catholic higher education.

Many thanks to the charter contributors who gave so generously to establish The Founder's Fund. If you would like more information on how to make a gift and/or pledge to The Founder's Fund, please contact **Maureen Egan '90**, Vice President of Institutional Advancement and Marketing, at 800-227-1898.

ATHLETIC DEPARTMENT WELCOMES NEW COACHES FOR 2002-2003

BASKETBALL

Director of Athletics **Bill Massoels '89** recently announced the hiring of head men's basketball coach **Linc Darner** and head women's basketball coach **John Raff**.

"I am really excited to be the head women's basketball coach at a great school like Saint Joseph's College and [to be part of] a ... conference like the Great Lakes Valley Conference," said Raff.

Raff comes from Centenary College in Shreveport, Louisiana, where he was the head women's basketball coach from 1997 until 2000. "[John] comes to us with great credentials," Massoels said. "I believe he will take our program to a higher level."

Darner is the 16th head men's basketball coach in the 87-year history of men's basketball. "[Linc] has been very successful at every university that he has been at," said Massoels. "I believe that he will continue to build upon our 87 years of strong tradition ... [in] basketball."

Darner came to SJC from Ashland University in Ashland, Ohio, where he spent four years as the assistant men's basketball coach. "I am very excited to have this opportunity that Saint Joseph's College has given me," said Darner. "I'm looking forward to getting started."

FOOTBALL

John R. Bell, **Jamie Egli '02**, and **Keenan Massey '02** are the newest additions to the football coaching staff at SJC.

Bell is the Pumas' newest defensive coordinator coach, coming to SJC from Lock Haven University in Pennsylvania, where he was the defensive line and assistant strength and conditioning coach.

A member of the class of 2002, Egli, who will coach the wide receivers and running backs this fall, graduated with a degree in Physical Education. While a member of the football team, he was a quarterback for two years and then a wide receiver for his remaining two years, serving as a team captain his senior year.

Also a 2002 graduate, Massey is the College's defensive line coach. While at SJC, he earned a degree in Physical Education. One of his collegiate highlights included being named Freshman of the Year.

VOLLEYBALL

Ken Murczek is the new head women's volleyball coach. "After reviewing some game footage from last year, I feel our team can compete for the Great Lakes Valley Conference title this year," stated Murczek.

Before arriving at SJC, Murczek was the head boy's junior varsity coach at Mount Carmel High School in Chicago, Illinois, serving as an assistant varsity coach this past year.

"[Murczek] brings a great deal of knowledge and enthusiasm to the program," Massoels said. "I believe he will continue to take us up the GLVC ladder."

Where Is He Now?

Rev. Leonard Kostka, C.P.P.S. '35

Though Professor Emeritus of Religion **Rev. Leonard Kostka, C.P.P.S. '35** retired from teaching in 1979, he's still been just as active, becoming an associate pastor at St. Augustine's Church in Rensselaer and presiding over Masses, baptisms, weddings, and other church celebrations, in addition to saying a handful of weekday morning masses at SJC. "It's the more pleasurable work that priests have to do," he said. He also visits with patients in the Jasper County Hospital and the Rensselaer Care Center.

An issue that has become near to Kostka's heart is Drexel Hall and its late founder, Saint Katharine Drexel. He was even able to attend her canonization in Rome in October 2000. "I was already interested in Katharine Drexel at the time," he explained. "The trip was a nice follow-up on that interest." When a walnut tree less than 50 feet from the Hall was chopped down, he had the wood taken and made into religious artifacts, such as crosses and candle holders. "There's a certain 'hallowedness' to the ground and the life that grows there," Kostka said about the land surrounding Drexel Hall. "I thought it might be commemorated by these artifacts."

Where Are They Now notes the current activities of favorite faculty, staff, and friends of the College of years past; Before They Were Pumas profiles members of the SJC community, providing glimpses into their pasts and updates on what they are doing today. What a great fiscal year it was at Saint Joseph's College! One year ago, I wrote to all of you through an article just like this, encouraging you to help increase the donor participation rate, particularly among alumni. At that time we were at **18%** alumni donor participation, reaching for a goal comparable to the national average of **30%**. In just one year's time you have accepted the challenge, allowing us to rise to **22%** for the fiscal year 2001-2002 that concluded on June 30th. To put that rise into perspective, it takes 100 donors to increase just 1%. Hearty congratulations and sincerest thanks to all of you for such great strides toward the national average! Our work is not yet done.

In September 2001, the Fellows Program unveiled their latest fundraising initiative—a goal of **\$200,000** to help with the renovation of classrooms and laboratories in the Arts and Science Building. Funds raised would be matched up to **\$200,000** by The Boler Challenge for Academic Excellence. It was a joy to announce at the 2002 Fellows Dinner that the **\$200,000** goal had been met, and slightly exceeded to the tune of **\$5,000**. The year 2002 also marked the 40th anniversary of the Fellows Program existence—with **3,731** Fellows among the ranks!

Celebrating their 40th reunion at Homecoming 2001 was the Class of 1961. To mark this momentous milestone, class members partici-

pated in an Honor Class Gift to raise funds enabling the College to build a new main entrance to the College with elegant brick signage. This will be complemented by the Class of 1956 Flag Plaza, a tribute to their 45th reunion. You'll soon see 'signs' of being "under construction." Thank you for such leadership to beautify the campus.

Honoring and memorializing the contributions of the Missionaries of the Precious Blood for

111 years was the ultimate goal in the establishment of The Founder's Fund—celebrated with an Inaugural Banquet on June 29th. Charter contributors raised over **\$65,000** to establish the fund, with many gifts being made in honor or memory of C.P.P.S. members and loved ones. The Founder's Fund is an endowed scholarship fund for SJC students to which contributions can be made at any time. Consider a celebratory (honor) or memorial gift to The Founder's Fund as a unique

and lasting tribute to someone special. Take a moment to read the summary article of the Banquet in this edition of *Contact*.

May blossomed with great news as the 33rd Annual Trustees Scholarship Dinner and Auction netted a record **\$100,000**. The news just kept getting better when Lilly Endowment Inc. announced its *Special Initiative to Strengthen Philanthropy for Indiana's Higher Education Institutions*, matching up to \$3.5 million in gifts

made by alumni, parents, students, faculty, staff, and friends from June 1, 2002-December 31, 2003. This news followed their announcement of a similar *Initiative to Strengthen Board Commitment* (up to \$1 million through December 31, 2002). There's never been a more opportune time to make a gift of great impact at SJC than now!

Take heart in knowing that the solid leadership and commitment of the members of the College community is making a real difference at SJC. All of this is accomplished with your support and prayers—for which we remain humbled and grateful.

We, the College community, consider it an honor to serve you and keep the magical SJC Puma tradition alive and well.

Happy “New Year!”
